Topic: HP Government Scheme

Importance: Himachal HPAS Prelims and Mains

What is the news?

“Chief Minister Swavalamban Yojna” launched according to the visionary thinking of Chief Minister Shri Jayaram Thakur ji is proving to be a boon for unemployed youth.

- As a result of this, the youth of Himachal is not becoming job seekers but job providers.
- Grant of ₹121.70 crore has been given to 2057 enterprises under the scheme by the state government.
- In addition, 4,037 units have also been approved by the banks under the plan.
- The youth is requested to take full advantage of this scheme for self-employment.

About Chief Minister Swavalamban Yojna/ Mukhyamantri Swavalamban Yojana(MSY):

There is a great need to promote self-employment, whether there is a lack of adequate employment in both the government sector or the private sector. The state government of Himachal Pradesh has taken the step in this direction and announced a new scheme for the youth of the state. These projects will not only explore the possibilities of self-employment but will also encourage all those related to it. In this way, the scheme named Mukhyamantri Swavalamban (MSY) will explore the possibility of new job in the field of self-employment. Several schemes have been announced along with this scheme, especially the Housing Benefit Scheme which will work at the regional level just like the Ujjwala scheme of Central.

Key Features of the Scheme:

1) Encourage the youth:

- This is the only way of implementing this scheme that the main purpose of the state government can be to motivate the youth to self-employment, and they are interested in starting their own business.

2) Decrease of Job Deficiency:

- With the implementation of this project, the problem of job losses in the state will end. Young people will be able to start their own business instead of wandering in search of a job, so that they will not have to do any job, but they can also start their own business and become an employer to provide them employment. In this way, if they establish their own business, they will not need to find more jobs, rather they will be able to employ themselves unemployed.

3) Government land for rent:

- If a self-employed person wants the land, then he can take help from the government for this. If he gets the approval of the HP government and if he wants to take government land as a rent, the state government will charge only 1% of the actual rate of that land.

4) Reduction in Stamp Duty:

- The government will also reduce the amount of stamped by them to motivate the youth to participate more and more in self-employment schemes. Under this project, if anybody wants to buy land, instead of 6%, stamp duty up to 3% will be given.
